PLEASE COMPLY WITH ALL GOVERNMENT AND DIOCEAN GUIDELINES FOR PUBLIC ASSEMBLIES AT ALL TIMES.

Please read <https://www.albanstephen.org/church-reopening/> for important information and updates before attending mass. Note that ALL will need to book a seat in advance of attending mass.

Please note the following changes for Readers until further notice:

- Readers should **use the microphone on the St Alban side of the altar**. This is not the microphone the priest uses.
- Note there is **no singing** permitted at present.
- If you are on the rota to read at Mass, **please arrive early, and notify the Steward** in the porch who will give you disposable gloves and direct you (and accompanying family members) to the seats on the front side aisle.
- You **do need to book your place at Mass in advance** through the Parish Office.
- Note that you should **approach the altar immediately after the collect** is finished.
- Obviously **remove face masks while reading**.
- **You MUST wear disposable gloves**. Avoid touching the microphone, lectern and lectionary as much as possible.
- The list of daily readings is published in the Parish Bulletin each week. The text for each day can also be downloaded from the Universalis website <https://universalis.com/europe.english.westminster/mass.htm>.
- The Sunday Mass Obligation remains suspended.

Please compose a separate prayer if the Mass intention is not for a deceased person. If you know the family for whom the Mass is being offered and they are present, ask them to bring up the Offertory gifts.

Please say **"The Word of the Lord"** after the readings. After Prayers of the Faithful we pray **TO** Mary not **WITH** her.

Thank you and stay safe! Contact: Allan (allane@cybaea.com , 07798813633)
