

Winter Beds Project

The Winter Beds Project

As the winter months approach and temperatures plummet there are people preparing to bed down and make the streets their home in St Albans. The cost of living crisis and rising housing costs will cause more people to sleep rough, with those on the lowest incomes being affected most.

The Open Door Night Shelter offers 12 bed spaces to homeless people in St Albans but there still aren't enough beds.

This winter for the fifth year running The Open Door Charity will be setting up The Winter Beds Project to prevent people from dying on the streets during the coldest months of the year. The Winter Beds Project will provide self contained accommodation to people who are rough sleeping and not accommodated in The Open Door Night Shelter.

Registered Charity Number: 1028528

Can you help?

The Open Door Winter Beds Project is run by volunteers and we are looking for others to help support the running of the Winter Beds Project this winter. Volunteers are needed in the evening and in the morning to perform a variety of roles.

Could you help with:

- * Setting up and greeting guests
- * Cleaning and checking out guests
- * Laundry
- * Managing supplies and equipment

Volunteers will receive comprehensive training and support.

If you can volunteer your time this winter please get in touch
